</table>
| **09.00-12.30** | **TRAINING COURSE A:** CYTOMETRY IN VETERINARY AND ANIMAL SCIENCES: FISH IMMUNOLOGY AND MARINE BIODIVERSITY | WELHAVEN  
Organiser: Marianne Enger (Oslo, NO)  
The first part of this course highlights the fish’s immune system, its interaction with pathogens and responses to stimulation and vaccines. The second part immerses the students in the marine environment focusing on marine biodiversity, including species composition and the functional and structural relationships in different communities.  
Level: Basic. |
| 09.00-10.30   | **Fish immunology and vaccination**  
Gyri Teien Haugland (Bergen NO), Anita Rønneseth (Bergen, NO) |  
| 10.30-11.00   | **Coffee break**  
Coffee break | |
| 11.00-12.30   | **How to detect and measure activity of marine microorganisms ranging 9 orders of magnitude in size, and 6-fold in concentration with and without auto-fluorescent properties**  
Aud Larsen & Gunnar Bratbak and co-workers (Bergen, NO) | |

<table>

<th>Event</th>
<th>Organisers</th>
</tr>
</thead>
</table>
| **09.00-12.30** | **TRAINING COURSE B:** MICROVESICLES  
Organiser: Enrique O’Connor (Valencia, ES)  
Participants will receive a comprehensive review of microvesicles. The course illustrates the biological and clinical relevance of the cytometric analysis of microvesicles, discusses the technical bases of sample preparation including guidelines for optimization and standardization and demonstrates novel approaches for multiplexed analysis. Participants will gain hands-on experience by analyzing listmode files of real cases from clinical and experimental settings in an expert-guided environment.  
Level: Advanced. | BJØRNSON  
| 09.15-09.45   | **Basic concepts and technological challenges in the analysis of microparticles: Current guidelines**  
José-Enrique O’Connor (Valencia, ES) |  
| 09.45-10.30   | **Exosomes and Microparticles: Results and Troubleshooting in a Cellular Biology Lab**  
Barbara Canonico (Urbino, IT) |  
| 10.30-11.00   | **Coffee break**  
Coffee break |  
| 11.00-11.45   | **Multiplexed analysis of microvesicles in clinical and experimental settings**  
Alberto Álvarez-Barrientos (Badajoz, ES) |  
<p>| 11.45-12.30   | <strong>Setup, optimization and interpretation of microparticle analysis as exemplified by real data files and available software</strong> |  |</p>

<td><strong>In chronic lymphocytic leukemia (CLL) the level of minimal residual disease (MRD) is a powerful independent predictor of outcome and a key endpoint for clinical trials. MRD is increasingly being applied to routine response assessment with the potential to guide treatment duration with novel agents. In this training course the clinical, biological and regulatory aspects of MRD analysis will be discussed. Participants will gain understanding of the analytical approach to MRD detection with interactive sessions including data analysis and interpretation of real cases.</strong></td>

## CONFERENCE PROGRAMME

**14.00-16.10  PLENARY 1  OPENING SESSION**  
**PLENARY ROOM**  
Chairs: Paula Fernandez (Aarau, CH), Marianne Enger (Oslo, NO)

### 14.00-14.15  WELCOME ADDRESSES  
- Welcome from the ESCCA President: Paula Fernandez (Aarau, CH)  
- Welcome from the Norwegian Flow Cytometry Society: Marianne Enger (Oslo, NO)

### 14.15-16.00  NEW DEVELOPMENTS IN CYTOMETRY  
14.15-15.00  
**Mass Cytometry in haematology**  
Bjørn-Tore Gjertsen (Bergen, NO)

15.00-15.45  
**Improving cytometry based diagnostics using Artificial Intelligence**  
Yvan Saeys (Ghent, BE)

### 14.15-16.00  CLINICAL CYTOMETRY BEST ORIGINAL PAPER AWARD 2018-2019  
This Award is given for the manuscript published under the Original Article category in Cytometry B that is judged of the highest scientific quality, originality and impact by the Editors and Associate Editors of Clinical Cytometry.

*Early recovery of circulating immature B-cells in B-lymphoblastic leukemia patients after CD19-targeted CAR T Cell Therapy: A pitfall for minimal residual disease detection*  
Dalia Salem, Professor of Clinical Pathology, Mansoura University (EG)

### 16.10-16.40  ESCCA INDUSTRIAL PARTNER PRESENTATION  
**PLENARY ROOM**

### 17.15-19.00  WELCOME RECEPTION hosted by the City of Bergen  
17.15  
Departure shuttle buses

18.00-19.00  
Welcome Reception in the Håkonshalle

19.00-22.00  
Free time in the city centre of Bergen

22.00 and 22.30  
Bus to the Edvard Grieg hotel and Comfort Bergen Airport hotel

**PLEASE TAKE YOUR TICKETS WITH YOU.**

*Maximum 350 delegates. Delegates who have not been able to get a ticket are welcome to take the same bus to the city centre and explore Bergen on their own. Same bus back to the hotels as mentioned above.*
