

BFCS2026

International conference

Baltic 
Flow Cytometry
Society 

RĪGAS STRADIŅA
UNIVERSITĀTE

Dear colleagues,

We are pleased to invite you to participate in the **Baltic Flow Cytometry Society Conference – BFCS2026!**

The event will bring together renowned flow cytometry experts and speakers from around the world, including J. Paul Robinson, the founder of spectral flow cytometry!

Do not miss the opportunity to deepen your knowledge, meet world-class experts, and present your research. The conference will cover both clinical flow cytometry applications and fundamental scientific aspects. Additionally, participants will have the chance to learn hands-on during a practical session.

Conference dates: March 19–20, 2026

Venue: Riga Stradins University, Dzirciema iela 16, Riga, Latvia

Important deadlines:

- Abstract submission (oral and poster presentations): **until January 30**
- Notification of acceptance: February 13

Early-career researchers are strongly encouraged to submit their work - two best poster or oral presentations will be awarded during the conference.

Useful links:

- **Registration:** <https://balticflow.org/registration-and-tickets/>
- **Abstract submission:** <https://balticflow.org/abstract-registration/>
- **Program:** <https://balticflow.org/bfcs2026-program/>

Please note: reduced registration fees apply to members who purchase 2026 membership.

Additionally, participants will have the opportunity to register for the Gala Dinner, which will take place on March 20 at the Panorama Hall (8th floor) of the Wellton Riverside SPA Hotel, offering a stunning view of the Daugava River and Old Riga. Seats are limited.

We look forward to welcoming you to BFCS2026!

Warm regards,
Baltic Flow Cytometry Society Board
